Russian Second-language Textbooks and Identity in the Universe of Discourse Olga Mladenova 2004 This book provides an overview of the changes of the Second-Language Learning discursive formation and the Identity discursive formation in Russian history. It proposes an explanatory model in which small-scale linguistic detail is joined with larger-scale language units in order to illuminate matters of cultural importance in their linguistic guise.

World of the Buddha Lucien Stryk 2007-12-01 Selections from the most significant texts in the body of Buddhist literature. For readers who want a deeper understanding of Buddhism, this is a rich, varied, and comprehensive collection in one volume. It includes the most significant texts from the vast body of Buddhist literature, and includes translations from Pali, Sanskrit, Tibetan, Chinese, Japanese, and Lao. For the benefit of the newcomer to Buddhism—or for those using it in an academic context—the pieces are arranged in chronological order, and each chapter is preceded by a separate commentary. In addition, there is a comprehensive description of life in India at the time of the Buddha and an outline of his life and mission. “The best available translations.” —Library Journal

devastating consequences Isma is free. After years of watching out for her younger siblings in the wake of their mother's death, she's accepted an invitation from a mentor in America that allows her to resume a dream long deferred. But she can't stop worrying about Aneeka, her beautiful, headstrong sister back in London, or their brother, Parvaiz, who's disappeared in pursuit of his own dream, to prove himself to the dark legacy of the jihadist father he never knew. When he resurfaces half a globe away, Isma's worst fears are confirmed. Then Eamonn enters the sisters' lives. Son of a powerful political figure, he has his own birthright to live up to--or defy. Is he to be a chance at love? The means of Parvaiz's salvation? Suddenly, two families' fates are inextricably, devastatingly entwined, in this searing novel that asks: What sacrifices will we make in the name of love?

Cook with Jamie Jamie Oliver 2007-10-02 My guide to making you a better cook. I can't tell you how long I've dreamed about writing this book. It's the biggest book I've ever done, and I've really tried to make it a timeless, modern-day classic. Whether you're a student, a young couple, an established cook, or a novice, I'll take you through a whole load of simple and accessible recipes that will blow the socks off your family and any guests you might have round for dinner. There's information on the equipment that I think you should have in your kitchen, advice on how to recognize and cook loads of different cuts of meat, as well as on how to get the best value and quality when you're out shopping. With all of us consuming more processed food than ever, it's a sad fact that most people just aren't confident enough to cook anymore. With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the Fifteen Foundation. So on behalf of them, thank you.

The ONE Thing Gary Keller 2013-04-01 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters

most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life-- work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Literature and ELT: Louis Sachar's "Holes" Verena Schörkhuber 2013-01-02 Lesson Plan from the year 2012 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,0, University of Vienna (Institut für Anglistik und Amerikanistik), course: Literature and ELT (Fachdidaktik-Kurs), language: English, abstract: Bei dieser Arbeit für den Fachdidaktik-Kurs "Literature and ELT" handelt es sich um eine Didaktisierung des Abenteuerromans "Holes" von Louis Sachar (ab 4./5. Lernjahr) mit einigen außergewöhnlichen Ideen zu Übungen/Aktivitäten rund um "Holes" (Dauer ca. 4 St.), welche auch auf andere literarische Werke angewandt werden können (creating wanted posters, telephone conversations with the author, ...). Inhalt: Introduction: Why teach literature (or

Literature?) in ELT; Choice of text; Work plan for four lessons; Conclusion; Bibliography; Appendix/Work sheets: 'dig it', character sketch, 'mad lib', discuss-decide-survive, filling in the holes: questions, create your own 'wanted poster', reading log. Auszug: Choice of text We shouldn't teach great books; we should teach a love of reading. (B. F. Skinner) I have chosen the novel Holes by Louis Sachar with the quotation above in mind: even though it might not be classified as one of the 'great books', i.e. of '(high) Literature', it is definitely one of those books that can serve to 'teach a love of reading'. Holes is the exciting story of Stanley Yelnats (mind the palindrome!), an overweight boy who is unjustly sent to Camp Green Lake, a boys' juvenile detention centre. Stanley knows that this is due to a curse on his 'no-good-dirty-rotten-pig-stealing-great-great-grandfather', who did not fulfil a promise he had made to Madame Zeroni. At the camp, Stanley and six other boys are forced to dig holes every day in order to pay their debt to society. However, Stanley soon finds out that there is more than 'character building' going on [...]. The novel and its main themes (friendship, racism, justice, fate, etc.) can be exploited in many appealing ways for classroom reading. [...] In the open learning sequence I have prepared, two basic approaches to reading a book in class are incorporated. First, there is the 'classical' approach with its well-established, successful activities, whereby the focus of assessment is (as is usual on an upper-secondary level) on both language and content. On the other hand, the activities on the second work sheet focus on the themes dealt with in the book. Since friendship, bullying, racism, etc. are issues in (nearly) every teenager's life, it can be motivating for the students to deal with these topics from a personal point of view, in a creative way. The activities on both work sheets are designed in a way that allows the students to plan which tasks to do when themselves.
