Fear and His Servant Mirjana Novakovic 2018-04-01 Count Otto von Hausburg and his devoted servant are sent to Belgrade by the Austrian monarchy to investigate troubling reports of vampires. There they find a deeply frightened populace who are willing to believe the Count is the devil incarnate. Perhaps they are right. Novakovic brilliantly captures the atmosphere of the Balkans in the 18th century and offers up a playful twist on the Gothic imagination.

The Mantle and Other Stories Nikolai Vasilievich Gogol 1916 As a novel-writer and a dramatist, Gogol appears to me to deserve a minute study, and if the knowledge of Russian were more widely spread, he could not fail to obtain in Europe a reputation equal to that of the best English humorists. A delicate and close observer, quick to detect the absurd, bold in exposing, but inclined to push his fun too far, Gogol is in the first place a very lively satirist. He is merciless towards fools and rascals, but he has only one weapon at his disposalÑirony. This is a weapon which is too severe to use against the merely absurd, and on the other hand it is not sharp enough for the punishment of crime; and it is against crime that Gogol too often uses it. His comic vein is always too near the farcical, and his mirth is hardly contagious. If sometimes he makes his reader laugh, he still leaves in his mind a feeling of bitterness and indignation; his satires do not avenge society, they only make it angry. As a painter of manners, Gogol excels in familiar scenes. He is akin to Teniers and Callot. We feel as though we had seen and lived with his characters, for he shows us their eccentricities, their nervous habits, their slightest gestures. One lisps, another mispronounces his words, and a third hisses because he has lost a front tooth. Unfortunately Gogol is so absorbed in this minute study of details that he too often forgets to subordinate them to the main action of the story. To tell the truth, there is no ordered plan in his works, andÑa strange trait in an author who sets up as a realistÑhe takes no care to preserve an atmosphere of probability. His most carefully painted scenes are clumsily connectedÑthey begin and end abruptly; often the author's great carelessness in construction destroys, as though wantonly, the illusion produced by the truth of his descriptions and the naturalness of his conversations.

The Careful Use Of Compliments Alexander McCall Smith 2008-10-02 For philosophically minded Isabel Dalhousie, editor of the Review of Applied Ethics, getting through life with a clear conscience requires careful thought. And with the arrival of baby Charlie, not to mention a passionate relationship with his father Jamie, fourteen years her junior, Isabel enters deeper and rougher waters. Late motherhood is not the only challenge facing Isabel. Even as she negotiates a truce with her furious niece Cat, and struggles for authority over her son with her formidable housekeeper Grace, Isabel finds herself drawn into the story of a painter's mysterious death off the island of Jura. Perhaps most seriously of all, Isabel's professional existence and that of her beloved Review come under attack from the machiavellian and suspiciously handsome Professor Dove. A master storyteller whether debating ethics in Edinburgh or pursuing lady detectives in Africa, here Alexander McCall Smith is as witty and wise as his irresistibly spirited heroine.

What is this Buzzing, Do You Hear it Too? Luigi Malerba 1969 An amusing and amused writer, Malerba is a curious man: curious about language, history, customs, plots and coincidences of life. ... The author of What Is This Buzzing, Do You

Hear It Too? is always maliciously ironic, alternating clues to ambiguities.

Wait Until Midnight Amanda Quick 2011-12-20 Adam Hardesty has a serious problem. The secrets of his past are in danger of being exposed, and in the course of investigating his would-be blackmailer, he discovers the dead body of a prominent psychic. To make matters worse, her house has been torn apart, and the diary containing Adam's secrets is missing. His only lead is a list of the psychic's last visitors. The most likely suspect is a woman named Mrs. Caroline Fordyce, whom he confronts in her parlour, only to discover an inconvenient attraction to the beautiful young widow. Alarmed by Adam's insinuations and questions, Caroline concludes that she must conduct her own investigation- if she can discover the true killer, Adam will have no reason to expose her connection to the dead psychic, which would cause a scandal she and her aunts could ill-afford. Besides, her life has been boringly uncomplicated for too long, and the exciting tension she feels around Adam presents a welcome alternative to her mundane daily routine. But as Caroline and Adam journey deeper into the shadowy world of psychics, mediums and con artists, they find that the only ones they can count on are each other.

Slightly Shady Amanda Quick 2011-12-20 From the moment the stranger burst into her antiques shop in Rome, Lavinia Lake knew he was nothing but trouble. He said he was in pursuit of a killer and swore he was only trying to save her. Yet Lavinia was convinced that Mr. Tobias March was bent instead on destroying her. When the self-professed spy hustled her all the way back to England, Lavinia vowed she would find a way to repay him in full. She never dreamed that Mr. March had in fact been telling the truth, that he had been hired to track down a powerful villain. And just as his investigation was heating up, he found it complicated by the most ungovernable, exasperating - and ever so slightly shady - woman he had ever met. Lavinia most certainly never dreamed they would meet again, forced into partnership under shocking circumstances - or that their fiery disputes would spark a sizzling desire as overwhelming as the danger they faced...

Selidba Miljenko Jergović 2019 U već mitskome književnome mjestu, na sarajevskom Sepetarevcu, u stanu svoga odrastanja, u kojemu mu je umrla majka, u koji se slila većina ostavštine Stublerovih i Rejcovih, autor prebire po dokumentima, po knjigama, po materijalnim i nematerijalnim ostacima, po povijesti jedne kuferашke obitelji. Predmeti i dokumenti, novčanik, partijska knjižica, češagija, djedovi pokušaji autobiografije i još mnogo toga pripovijedaju priču ne samo jedne obitelji već i jednoga grada, djetinjstva i odrastanja u kojoj autor ne šteti nikoga, a ponajmanje sebe i svoje bližnje.
