Boundaries Henry Cloud 2008-09-09 Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us

and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

The Two of Us Sheila Hancock 2009-08-17 When John Thaw, star of The Sweeney and Inspector Morse, died from cancer in 2002, a nation lost one of its finest actors and Sheila Hancock lost a beloved husband. In this unique double biography she chronicles their lives - personal and professional, together and apart. John Thaw was born in Manchester, the son of a lorry driver. When he arrived at RADA on a scholarship he felt an outsider. In fact his timing was perfect: it was the sixties and television was beginning to make its mark. With his roles in Z-Cars and The Sweeney, fame came quickly. But it was John's role as Morse that made him an icon. In 1974 he married Sheila Hancock, with whom he shared a working-class background and a RADA education. Sheila was already the star of the TV series The Rag Trade and went on to become the first woman artistic director at the RSC. Theirs was a sometimes turbulent, always passionate relationship, and in this remarkable book Sheila describes their love - weathering overwork and the pressures of celebrity, drink and cancer - with honesty and piercing intelligence, and evokes two lives lived to the utmost.

Culture Is Our Business Marshall McLuhan 2015-02-12 Culture Is Our Business is Marshall McLuhan's sequel to The Mechanical Bride: Folklore of Industrial Man. Returning to the subject of advertising newly armed with the electric sensibility that informed The Gutenberg Galaxy, Understanding Media, and The Medium Is the Massage, McLuhan takes on the mad men (a play on the ad men of Madison Avenue) of the sixties. Approaching commercial messages as unacknowledged art forms and cultural artifacts, McLuhan delivers a series of probes that pick apart their meanings and underlying values, their paradoxes and paralogisms, and their overt function as persuasion and propaganda. Through humor, satire, and a poetic sensibility, he provides us with a serious exploration of the consumer culture that emerged out of the electronic media environment. In keeping with the participatory ethos of the Internet that McLuhan so clearly anticipated, this is a book that is meant to open the door to further study, reflection, and discussion, and to encourage the development of critical reception on the part of the reader.
