**The Petrine Revolution in Russian Culture** James CRACRAFT 2009-06-30 The reforms initiated by Peter the Great transformed Russia not only into a European power, but into a European culture--a shift, argues James Cracraft, that was nothing less than revolutionary. The author of seminal works on visual culture in the Petrine era, Cracraft now turns his attention to the changes that occurred in Russian verbal culture. The forceful institutionalization of the tsar's reforms--the establishment of a navy, modernization of the army, restructuring of the government, introduction of new arts and sciences--had an enormous impact on language. Cracraft details the transmission to Russia of contemporary European

naval, military, bureaucratic, legal, scientific, and literary norms and their corresponding lexical and other linguistic effects. This crucial first stage in the development of a "modern" verbal culture in Russia saw the translation and publication of a wholly unprecedented number of textbooks and treatises; the establishment of new printing presses and the introduction of a new alphabet; the compilation, for the first time, of grammars and dictionaries of Russian; and the initial standardization, in consequence, of the modern Russian literary language. Peter's creation of the St. Petersburg Academy of Sciences, the chief agency advancing these reforms, is also highlighted. In the conclusion to his masterwork, Cracraft deftly pulls together the Petrine reforms in verbal and visual culture to portray a revolution that would have dramatic consequences for Russia, and for the world. Table of Contents: Figures Preface Note on Dates and Transliteration 1. Introduction Historiography Language, Culture, Modernity Russian before Peter 2. The Nautical Turn Russia in Maritime Europe The Naval Statute of 1720 Other Nautical Texts Institutionalization 3. Military Modernization Military Revolutions: Europe to Russia The Military Statute of 1716 Textbooks and Schools 4. Bureaucratic Revolution Advent of the Modern European State The Petrine State The General Regulation of 1720 Regulations and Justifications 5. Science and Literature Geometry, Geography, History Eloquence, Theology, Philosophy The Academy 6. The Language Question The Print Revolution in Russia Lexical Proliferation Dictionaries and Grammars Russian after Peter 7. Conclusion The Petrine Revolution in Russia The Persistence of Muscovy Abbreviations Appendix I: Texts Appendix II: Words Notes Bibliography Index No previous author has attempted to document the changes in the Russian language during Peter the Great's reign by setting such a wide range of texts in historical context -- with full reference to the European background -- in a discussion accessible to non-specialists. James Cracraft extends the definition of literature beyond belles lettres and private writings, in which the Petrine era is relatively poor, to 'verbal culture,' in which it is rich, thereby offering a much wider range of material from a crucial age of reform and allowing exploration of such phenomena as the vocabulary of political power. In no other work in print in English can one find such detailed expositions of the publishing history and contents of such key texts as the Naval Statute and Military Statutes. Cracraft's judicious interpretation will be invaluable to serious students of Russian history. This is a work of immense erudition and a major contribution to scholarship. --Lindsey Hughes, University College London

Literature and ELT: Louis Sachar's "Holes" Verena Schörkhuber 2013-01-02 Lesson Plan from the year 2012 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,0, University of Vienna (Institut für Anglistik und Amerikanistik), course: Literature and ELT (Fachdidaktik-Kurs), language: English, abstract: Bei dieser Arbeit für den Fachdidaktik-Kurs "Literature and ELT" handelt es sich um eine Didaktisierung des Abenteuerromans "Holes" von Louis Sachar (ab 4./5. Lernjahr) mit einigen außergewöhnlichen Ideen zu Übungen/Aktivitäten rund um "Holes" (Dauer ca. 4 St.), welche auch auf andere literarische Werke angewandt werden können (creating wanted posters, telephone conversations with the author, ...). Inhalt: Introduction: Why teach literature (or Literature?) in ELT; Choice of text; Work plan for four lessons; Conclusion; Bibliography; Appendix/Work sheets: 'dig it', character sketch, 'mad lib', discuss-decide-survive, filling in the holes: questions, create your own 'wanted poster', reading log. Auszug: Choice of text We shouldn't teach great books; we should teach a love of reading. (B. F. Skinner) I have chosen the novel Holes by Louis Sachar with the quotation above in mind: even though it might not be classified as one of the 'great books', i.e. of '(high) Literature', it is definitely one of those books that can serve to 'teach a love of reading'. Holes is the exciting story of Stanley Yelnats (mind the palindrome!), an overweight boy who is unjustly sent to Camp Green Lake, a boys' juvenile detention centre. Stanley knows that this is due to a curse on his 'no-good-dirty-rotten-pig-stealing-great-great-grandfather', who did not fulfil a promise he had made to Madame Zeroni. At the camp, Stanley and six other boys are forced to dig holes every day in order to pay their debt to society. However, Stanley soon finds out that there is more than 'character building' going on [...]. The novel and its main themes (friendship, racism, justice, fate, etc.) can be exploited in many appealing ways for classroom reading. [...] In the open learning sequence I have prepared, two basic approaches to reading a book in class are incorporated. First, there is the 'classical' approach with its well-established, successful activities, whereby the focus of assessment is (as is usual on an upper-secondary level) on both language and content. On the other hand, the activities on the second work sheet focus on the themes dealt with in the book. Since friendship, bullying, racism, etc. are issues in (nearly) every teenager's life, it can be motivating for the students to deal with these topics from a personal point of view, in a creative way. The activities on both work sheets are designed in a way that allows the students to plan which tasks to do

when themselves.

Easy Spanish Crossword Puzzles Jane Burnett 1985-02-01 Learn Spanish through crossword puzzles! Easy Spanish Crossword Puzzles offers you an entertaining but effective way of expanding your knowledge of the Spanish language and culture. The crucigramas in this book cover a wide variety of topics that will challenge and help you develop your Spanish-language skills. Easy Spanish Crossword Puzzles features two levels of difficulty. In the first half of the book, you will find simple English-to-Spanish puzzles that explore topics of grammar and culture normally addressed at the beginning of Spanish studies. In the second half, the puzzles are all in Spanish and thus are somewhat more difficult. If you have difficulty with a puzzle clue, solutions are provided at the back of the book. Includes: 14 puzzles with English clues and Spanish answers 18 puzzles with Spanish clues and English answers 12 puzzles with both Spanish clues and answers

Swahili Basic Course - Student Text J. G. Miela 2016-03-20 Swahili Basic Course - Student Text is part of the Swahili Basic Course. FSI Courses are language courses developed by the Foreign Service Institute and were primarily intended for US government employees. These courses are very intense to let a learner achieve proficiency as fast and as efficient as possible. Keep in mind that most of the courses were developed during the cold war area between 1960 and 1990 and the type set in this book is therefore not as accurate as you might expect.

Cook with Jamie Jamie Oliver 2007-10-02 My guide to making you a better cook. I can't tell you how long I've dreamed about writing this book. It's the biggest book I've ever done, and I've really tried to make it a timeless, modern-day classic. Whether you're a student, a young couple, an established cook, or a novice, I'll take you through a whole load of simple and accessible recipes that will blow the socks off your family and any guests you might have round for dinner. There's information on the equipment that I think you should have in your kitchen, advice on how to recognize and cook loads of different cuts of meat, as well as on how to get the best value and quality when you're out shopping. With all of us consuming more processed food than ever, it's a sad fact that most people just aren't confident enough to cook anymore. With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the Fifteen Foundation. So on behalf of them, thank you.

**Complete Bulgarian Beginner to Intermediate Course** Michael Holman 2010-06-25 Are you looking for a complete course in Bulgarian which takes you effortlessly from beginner to confident speaker? Whether you are starting from scratch, or are just out of practice, Complete Bulgarian will guarantee success! Now fully updated to make your language learning experience fun and interactive. Russian Social Media Influence Todd C. Helmus 2018-04-12 Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with regional and security experts to understand the critical ingredients to countering this campaign.

**A Concise Hopi and English Lexicon** 1985-01-01 "A Concise Hopi and English Lexicon" is a lexical research tool for persons interested in the Hopi language. An effort has been made to include the most frequent forms of basic roots. The work is designed to serve as wide-ranging an audience as possible: Hopi speakers as well as those not fluent in this language, the scholar as well as the general reader. The lexicon treats the Third Mesa dialect and the vocabulary items are limited to items of common usage. The work is presented in two sections: the first and main section is Hopi-English and the second is an English-Hopi index.

**Jak Się Rzeczy Maja** ... Daniela Zyman 2008 "The Way Things Are... Works by the Thyssen-Bornemisza Art Contemporary Collection exams the question of artistic representation of today's increasingly precarious work and social spheres within advanced economies. As we are experiencing radical processes of transformation, the multivoiced "work histories" by Anetta Mona Chisa and Lucia Tkavoca, Los Carpinteros, Julian Rosefeldt, Allan Sekula, and Andreas Siekmann negotiate the space between global ecologies and individual localized realities. Framed by an extensive film program, this publication maps artists and filmmakers' attentive engagement with contemporary experience of work, labor and production in our social world."--BOOK JACKET.

**Intuitive Studies** Gordon Smith 2012-05-07 During the many years he spent delivering messages of hope and love from the spirit world, Gordon Smith has observed how many people long to learn how to be more intuitive themselves, and would love to be able to connect to the other side in the same way he does. Gordon feels strongly that developing your intuitive gifts should be something that gives you joy, brings you clarity and makes you more contented in your life. Based on his experiences of teaching and guiding complete beginners on their paths to communicating with spirit, this book provides simple and easy-to-follow exercises that will help you sharpen your psychic senses, open yourself to receive communication from your spirit guides and interpret the telepathic language of spirit. Once you have learned the basics and gained confidence in your skills, Gordon then guides you to the next step of your journey, showing you how you can use this very special energy to help others.
